

PLEASANT DALE PARK DISTRICT
SPECIAL MEETING, June 9, 2009 meeting continued from June 25, 2009
CHALET
8300 S. Wolf Road, Willow Springs
Thursday, June 29, 2009
7:00 PM

Present: Commissioner Moon, Commissioner Martin, Commissioner Pettrone, Commissioner Brewer. Also present was Katherine Parker. Absent: Commissioner McMurray.

Parker distributed packets with updated proposed budgets that reflected the changes already made by the Board. The Commissioners thanked Parker for her prompt email response to their questions about the \$85,900 expenditure to Blumel's, which was for playground equipment at Savoy Park.

The Commissioners discussed the Chalet budget at length and determined that they want to devote effort toward revitalizing membership, cleaning the facility, looking for programs that can be added to the facility and making it accessible to all residents.

The Commissioners again discussed a free membership mailing for the Chalet and ask Katherine to develop a mailing to go out to all residents of the Park District. It was again discussed that there should be seasonal mailings that inform the residents about Park programs and not newsletters that highlight staff members.

Parker reported that she met with Roberto and that he is very interested in mowing for the Park District. He indicated that the low bid was unrealistic and that he couldn't match it, but that it meant the winning bidder could not possibly do the job well.

Parker reported that she had created and posted "Free WiFi" signs up at the Chalet.

Parker also reported that she informed GrantSeekers that their services would no longer be required at the end of their contract.

The meeting was adjourned to July 3, 2009 at Noon at the Chalet.
