

MINUTES OF THE PUBLIC SPECIAL MEETING
PLEASANT DALE PARK DISTRICT
September 29, 2009 7:00 PM
Chalet Fitness Center
8300 S Wolf Road, Willow Springs, Illinois

Present were Commissioners Moon, Brewer, McMurray, Pettrone and Martin. Also present was Director Parker.

The Board discussed the proposal for roof repair work and Commissioner Martin expressed that the bid was too much and that he knew another roofer who would complete the repair work for \$2,000. Terry Standring or Standring Roofing made a presentation to the Board, stating that he was a longtime member of the Chalet and that he felt the roof needed silver-coating. He answered questions from Commissioners and then stated that he would donate part of his costs and labor to the Chalet and would complete the repairs for \$10,000. The Board agreed by a voice vote to accept his reduced proposal.

Commissioner McMurray presented copies of rental and membership rates at various other park districts and similar facilities. The Board discussed possible new rates for membership and Commissioner Martin expressed that he felt the monthly fees should be lowered to attract more members. The Board also discussed rates for court rentals. No vote was taken about new rates.
