Week 1

REMINDERS:

Monday campers will be making trail mix. Don't forget a water bottle!

Things to Remember!!!

Every Friday is water day so please send your campers in their swimsuits, with sunscreen on, and a towel.

Parents please don't forget to provide your child with a snack each day!

Please send your campers with **gym shoes and socks** so that they are comfortable during games and activities.

Campers may also be participating in many different activities that will require them to get messy. Please keep this in mind when your camper gets dressed in the morning.

Pint Size Pioneers:

“Welcome to Camp”

Campers will get to know their counselors and one another this week! The counselors who will be with your children throughout the summer are:

Sandy Solava: Sandy is our Pint's Size Camp Coordinator! She is also the preschool teacher for the Pleasant Dale Park District during the school year! This will be Sandy's third year working for the summer camp! She is looking forward to a fun summer!

Emma Doyle: This will be Emma's second year as a Pint's camp counselor! She just graduated from Lyons Township High School and will be attending the University of Illinois the Fall! She will be pursuing a degree in Middle Education.

Campers will also be learning the schedule, camp rules, and game rules throughout the week as we play together! Campers will have the opportunity to work together to create their very own camp mural with their hands! They will be finger and hand painting, so remember this when campers are getting dressed this week!

Get ready for a great summer!!!
