Week 3

REMINDERS:

Things to Remember!!!

Every Friday is water day so please send your campers in their swimsuits, with sunscreen on, and a towel.

Parents please don't forget to provide your child with a snack each day or send money for our mobile vending.

Please send your campers with **gym shoes and socks** so that they are comfortable during games and activities.

Registration for the rest of the summer is now available in weekly sessions for your convenience.

Please continue to self-assess you children before camp.

"Carnival Week"

This week will include snow cone slime, a clown face puppet, a talent show and a Magic Show provided by "The Magic of Gary Kantor "on Thursday.

The campers have been having a great time at camp so far. They are doing a stellar job at wearing masks and distancing when necessary. Our directors and counselors have been taking all the necessary steps to modify games and activities to follow the guidelines and protocols put in place by all agencies.

The majority of the time the campers are outside having fun around the park. Indoor water, bathroom and breaks from the heat are taken throughout the day.
