

# Summertime2020 Weekly Newsletter!

7425 S. Wolf Road  
Burr Ridge, IL 60527  
630-662-6220

**July 27-31**

**Week 4**

## REMINDERS:

### **Things to Remember!!!**

Every Friday is water day so please send your campers in their swimsuits, with sunscreen on, and a towel.

Parents please don't forget to provide your child with a snack each day or send money for our mobile vending.

Please send your campers with **gym shoes and socks** so that they are comfortable during games and activities.

**Registration for the rest of the summer is now available in weekly sessions for your convenience.**

Please continue to self-assess you children before camp. If you need the list of questions and scenarios emailed again please contact the park district.

## **Wild West Week**

This week campers will be participating in many fun activities. They will be making dream catchers, painting picture frames, decorating and planting basil in clay pots and even making individual s'mores by the firepit to name a few

The campers continue to be enjoying themselves throughout the week. They are doing a stellar job at wearing masks and distancing when necessary. They really seem to love the water Fridays. We are definitely learning to enjoy the simple things in life this summer.

The majority of the time the campers are outside having fun around the park. Indoor water, bathroom and breaks from the heat are taken throughout the day.

When weather is rainy or too hot the children have access to the gym and or we will let them watch a movie inside. Hopefully there will not be too many of these days!

Luciana Ligammari and Mitch Lopez have joined us!

Luciana graduated from Lyons Township High School this spring. She will be attending College of DuPage come fall. Luciana has worked at the park district in various positions prior to joining camp, including being part of our birthday party staff.

Mitch will be a sophomore this fall at the University of Wisconsin where he plays Rugby. Mitch has also worked at the park district in various roles including subbing for summer camp last year.
