August 4-10

Week 5

REMINDERS:

Things to Remember!!!

Every Friday is water day so please send your campers in their swimsuits, with sunscreen on, and a towel.

Parents please don't forget to provide your child with a snack each day or send money for our mobile vending.

Please send your campers with **gym shoes and socks** so that they are comfortable during games and activities.

Registration for week 6 is available now online.

Please continue to self-assess you children before camp. If you need the list of questions and scenarios emailed again please contact the park district.

Olympic/Minute 2 Win It Week

This week campers will be participating in many fun activities. We will be combining the Olympic and Minute to Win themes since our summer was shortened. Campers will be painting flags, making Olympic torches, having an Oreo race and will be building towers just to name a few activities.

The campers continue to be enjoying themselves throughout the week. They are doing a stellar job at wearing masks and distancing when necessary. They really seem to love the water Fridays. We are definitely learning to enjoy the simple things in life this summer.

The majority of the time the campers are outside having fun around the park. Indoor water, bathroom and breaks from the heat (when necessary)are taken throughout the day.

With the weather changing daily , please remember to have your child dressed appropriately for the day.
